

# KOINONIA HOUSE

Koinonia House, or K-House as we are widely known, was founded as the non-profit publishing ministry of Chuck and Nancy Missler. Even though they have passed on to glory, our team continues with the mission they established: to create, develop and distribute materials to stimulate, encourage, and facilitate serious study of the Bible as the inerrant Word of God.

Our tours are part of that mission. After seeing Biblical sites in Israel, many people find they have a different experience when they read their Bible. Now, they can add vivid pictures and important context to the words on the page. We believe this tour also helps believers in Christ to experience true fellowship, or *koinonia*.

An adventure awaits, and you're invited...

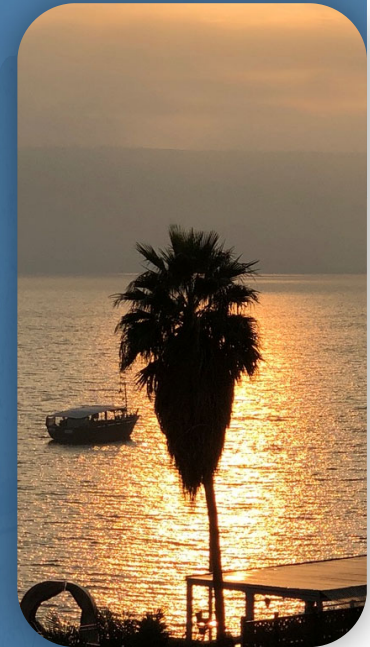

*Won't you join us?*

# Israel 2025

We use the Bible, research, archaeology, and experience to produce this rich and unique event.

## Nov 2-13, 2025

More experts on the Bible, archaeology, and history than any tour we know.

More authentic sites while including the important traditional ones.

# Tour Teachers

Ron Matsen and Bob Cornuke will be providing great insights throughout the tour. Both have a long history with Israel and are eager to share their knowledge and discoveries.
