

# KOINONIA HOUSE

Koinonia House, or K-House as we are widely known, was founded as the non-profit publishing ministry of Chuck and Nancy Missler. Even though they have passed on to glory, our team continues with the mission they established: to create, develop and distribute materials to stimulate, encourage, and facilitate serious study of the Bible as the inerrant Word of God.

Our tours are part of that mission. After seeing Biblical sites in Israel, many people find they have a different experience when they read their Bible. Now, they can add vivid pictures and important context to the words on the page. We believe this tour also helps believers in Christ to experience true fellowship, or koinonia.

An adventure awaits, and you're invited...

## Won't you join us?

Eli Shukron and Ron Matsen

We use the Bible, research, archaeology, and experience to produce this rich and unique event.

## Tour Leader

Ron Matsen (right) will be providing great insights throughout the tour. Ron has a long history with Israel and is eager to share his knowledge and discoveries.
